ANTI-LIGATURE

more than a shade better

FACT:

As herd animals, the black and white stripes of the zebra are designed to be confusing when gathered in large numbers.

Ashley stand out from the crowd for service and products.

Singled out by distinction

Ashley Contracts was created with a very clear brief in mind, to embrace a strong moral ethic and to provide a best practice resource, whatever the project. This has defined our own brand values: Excellence, Quality, Professionalism, Reliability and Personal Service.

Consistently great service with good value and customer care.

your professional choice

Tuning into your needs

Our goal is to secure strong, lasting relationships with all our clients and provide long-term shading and glare prevention solutions, whilst exceeding their expectations, not their budget.

Combining high standards of workmanship with innovation and customer service...

Innovation combined with unprecedented high standards of work and reliable personal service.

...Ashley Contracts excels at serving the commercial sector.

Ashley's range of bespoke Blinds, Curtains, Tracks, Security Grilles, Roller Shutters, Window Films, Insect Screens, Awnings and Anti-Ligature Systems offers perfect solutions for every situation. Combining years of experience and research with traditional methods we only offer what we know will work for you.

With creativity in every solution Ashley Contracts confidently offers and efficiently delivers the optimum in terms of product, service and support every time.

FACT:

Wide range view and flexibility in the ears allows the zebra to concentrate on any area of its surroundings.

We will listen to what you need and supply the solution for your specific environment.
